## We all enjoyed our busy Meet and Greet Day

We were delighted to meet old friends and new at the beginning of September, and many groups have already welcomed in other members. The warm weather allowed us to come together very safely, with tea and coffee for those who wanted to sit and catch up with each other.

## And a Second Chance if you Missed it!

We're well aware that some of you couldn't come to this event and wanted to meet group leaders for a chat, before deciding to join us. All our new members are to be invited to a meeting, alongside our monthly get-together on November 10th, also at Queen Mary's Hall (QMC). If you are considering joining us, we'd very much like to welcome you too, if you'd like to come.

You can take part in the main activity as well, a performance from one of the best speakers we've ever had! Tony Harris pretended to be Henry VIIIth in one of our lockdown Zoom meetings and we couldn't wait to have him back - this time in person as Winston Churchill. It should be lots of fun.

As groups join together at these monthly meetings, you're sure to find someone interested in the same activities as you and happy to help.

## Strings & Things

Our group of amateur musicians is one of those always looking for new members, any instrument accommodated! They rehearse in Hook but perform all over Basingstoke. Don't forget too that we can always set up new groups if people can't see what they want on our Facebook or website pages. We still have people interested in backgammon and chess groups if others come to join them. And a possible weekly tutorial on photography and video making on your mobile phone

Join us - as always we'd love to meet you
