

SPRING HAS BLOSSOMED AND OUR GROUPS ARE FLOURISHING TOO

More Members and More Fun

One of the benefits of belonging to our u3a is that if enough people want to try something new, we can bring them together and help start the fun. So this year, with lots of new members, we've added activities such as Canasta and Backgammon to our list of activities, and doubled up on our popular book clubs and sewing groups. Our

February exhibition in town brought new members to our art groups too.

Anyone for Pickleball?

There's always something for everyone. Some of our new members are joining our more active groups to dance, walk or cycle together. Others are playing skittles, walking football, netball and rounders. Pickleball is now up for offer too! It's a mixture of badminton, ping pong and table tennis - and yet another new activity which members have come together to set up recently.

Now's a good time to try u3a membership and see what it has to offer - it's £25 for the rest of our membership year to September. Everyone's welcome and some of you may bring yet more ideas for activities with you too!
